## SUPPLEMENTAL REPORT

FACTS:

On 01/16/16 at about 0126 hours, Officers Pacheco and Osuna were patrolling the area of 1300 E. Main St. They were in a marked ECPD vehicle #40075 and in full uniform. Officer Pacheco drove into the parking lot of the Best Western Hotel, 1355 E. Main and began to read off plates for Officer Osuna to run on the MDT.

As Officer Pacheco drove through the motel parking lot, a red 4-door Toyota Yaris with CA. plate [REDACTED] was being driven out of the parking lot. The driver was later identified as Geoffrey SIMS. Officer Osuna ran the plate which came back stolen out of Colorado. At the time it appeared there were only two occupants in the Toyota.

Officer Pacheco turned around and began to follow the Toyota, eastbound on Main Street while Officer Osuna broadcast the direction of travel to responding officers. SIMS drove through residential streets before returning to Main St. SIMS then proceeded northbound on 2<sup>nd</sup> St. and briefly pulled into the McDonald's parking lot, 281 N. 2<sup>nd</sup> St. and stopped.

While stopped, at least one male passenger briefly exited the vehicle as if to run but re-entered the vehicle. SIMS then continued onto northbound 2<sup>nd</sup> St. directly behind Officer Pak. Officer Pak slowed, allowing SIMS to pull in front of him. Officer Pak then activated his overhead lights and siren and attempted to stop the Toyota driven by SIMS. Officer Pak's Mobile Video Recorder was activated as well and recorded the pursuit and a portion of the incident.

SIMS accelerated and began fleeing from pursuing officers. SIMS ran red lights at the intersections of 2<sup>nd</sup> and Madison, 2<sup>nd</sup> and Oakdale, 2<sup>nd</sup> and I-8 (south of overpass) and 2<sup>nd</sup> and I-8 (north of overpass) before getting onto westbound Interstate 8.

While traveling west on Interstate 8, the pursuit reached speeds of up to 100 MPH. Sgt. Forster requested the pursuit be taken over by CHP. CHP officers were never actually involved in the pursuit and arrived on scene at the conclusion of the pursuit.

SIMS exited the West Main St. off-ramp where he turned right on West Main St, after running the red light. SIMS then made an immediate left onto S. Pierce, running a second red light. SIMS proceeded southbound on S. Pierce to the dead end cul-de-sac. SIMS made a counter clockwise turn in the cul-de-sac and pulled directly in front of Officer Pak.

Officer Pak attempted to stop SIMS and drove into the passenger side of the Toyota. In MVR footage from Officer Pak's vehicle, SIMS can be seen putting the vehicle in reverse. The left rear passenger, [REDACTED] can be seen attempting to exit the Toyota. HAUSER in in the right front passenger seat and appears to be unrestrained. There is also a tan colored Pitbull dog in the front of the vehicle.

## SUPPLEMENTAL REPORT

Officer Pak exited his patrol vehicle, pointed his service pistol at SIMS and ordered him to stop. SIMS continued in reverse, scraping against the front of Officer Pak's vehicle. Officer Pak was concerned his vehicle would be pushed into him and moved away from it. Officer Pak told investigators SIMS put the Toyota in drive and drove at him. Officer Pak believed SIMS was going to run him over and feared for his life.

Officer Pak fired three rounds into the vehicle in an attempt to stop SIMS. This can be seen and heard on MVR footage from Officer Gimbel's patrol vehicle as he is driving towards the cul-de-sac.

Despite being shot at by Officer Pak, SIMS continued driving forward and rammed the front of a responding ECPD vehicle, driven by Officer Gimbel. A review of MVR footage from Officer Gimbel's vehicle showed that after ramming the police vehicle, SIMS briefly put the Toyota in reverse then back into drive. Officer Pak had made a clockwise circle around the Toyota and repositioned himself. SIMS proceeded forward again towards Officer Pak, who was still in front of the Toyota but closer to the driver's side. Officer Pak again feared for his safety and fired one additional round into the vehicle in an attempt to stop SIMS.

CHP officers arrived on scene and blocked SIMS from continuing any further. SIMS was the first occupant taken into custody and was removed from the driver's side of the Toyota. It was at this time that officers discovered the right front passenger, Kelsey HAUSER, had sustained gunshot wounds to the chin and chest area.

Due to damage sustained on the passenger side of the Toyota, HAUSER was pulled through the open driver's side door where officer's provided first aid. ECPD paramedics arrived on scene and transported HAUSER to Sharp Memorial Hospital for medical attention. Officer Pacheco rode in the back of the ambulance while HAUSER was transported to the hospital.

While at Sharp Memorial Hospital, medical staff attempted to save HAUSER's life under the direction of Doctor Kill. Despite life saving measures, HAUSER was pronounced deceased at 0233 hours.

The left rear passenger of the vehicle had attempted to flee the area but was detained in the cul-de-sac by responding officers. He was identified as [REDACTED]. [REDACTED] was arrested and transported to ECPD.

The right rear passenger of the vehicle remained inside until he was detained by responding officers. He was identified as Brian BLAFIELD. BLAFIELD was arrested and found to be in possession of methamphetamine and heroin. On the floorboard area where BLAFIELD was seated, was a realistic looking replica firearm. It was determined to be a BB gun designed to look like a revolver with silver frame and black grip.
